

**THE HIGHEST PRAISE FROM THE AUTHOR**

"It is as I wrote it, and if a person has liked the book he will like the film, for it is the novel itself on the screen. The characters shown are the characters I created in my story and the country shown is the Arizona country of the novel. I, who perhaps would be the severest critic of a picture made from my own story, have nothing but praise for this achievement."  
—Harold Bell Wright.

"When a Man's a Man" will be shown at the Torrance Theatre Tuesday, Wednesday and Thursday, March 25, 26 and 27.

**Hey, Men! You Can Now Get a Shine Right in Torrance**

Did you ever notice the dusty, scuff-toed, unshined shoes that Torrance men wear—even to dancing parties? You did, eh?

Well, did you ever stop to figure out why the kicks of local gentry have always presented such an un-glossed exterior? You didn't, eh?

Well then you ought to know. You see, there hasn't been any shoe-shining parlor in Torrance, and you know yourself that men won't shine their own shoes—not very often, they won't. They'd rather leave 'em scuff-toed.

Well, them days is gone forever.

Enter W. H. Johnston, who claims to be the champion shoe-shiner of the sunny Southland. He has just opened up a shoe-glossing establishment in connection with Tansey's barber shop in the Vonderahe building on Carson street. He claims to be able to shine 'em up so you can use 'em for a mirror.

This does Torrance advance.
